UPS Additional Handling Charge of $10.00 on ALL tubes	
PA Residents Add 6% Sales Tax	
Order Total	

Note: 5 foot channels require both oversize, shipping & additional handling charges.

The 60" channel & beltstrip will be shipped at the oversize rate, unless we have been notified to cut into shorter lengths. Oversize fee is $15-$20. We ship via UPS. UPS charges a fee of $10 on all tubes regardless of size. This is for channels and beltstrips. Please include your street address on the order. Expect delays in shipping during April, October and November. We attend several swap meets during these months and are not operating at 100% in our office. We ship your order as soon as possible. Include extra shipping for overseas or heavy items.
$5.00 additional fee on all drop shipped orders.
We CANNOT accept returns on cut pieces, unless it is our error. Please measure carefully.
