If you are interested in having parts delivered to one of these car shows, please make arrangements 2-3 weeks prior to the show.

At certain times of the year, we have to travel for extended periods of time to attend the various car shows. This is especially true in April, September, October and November. Although our shop is open, it is not operating at 100%. Please expect delays in shipping of approximately 2 to 3 weeks during these months.

We ask for your patience when placing orders around the above show dates.

Your order will be filled as quickly as possible.

Thank you.
